

Du du du

Tekst og musikk: Geirr Lystrup

The musical score consists of four staves of music in common time (indicated by a '4' in a circle) and A major (indicated by a capital 'A'). The first staff starts with an Am chord (three quarter notes on the first, third, and fifth strings). The lyrics 'E-le-fan-ten' are sung over the first measure. The second staff begins with a D7 chord (root position), followed by an Em chord, and the lyrics 'Al-ya i - fra Sri lan-ka land' continue. The third staff starts with an Am chord, and the lyrics 'har sin e-gen dusj for han har' are sung. The fourth staff begins with a D7 chord, followed by a G chord, and the lyrics 'sna-bel.' are sung. The fifth staff begins with a G chord, followed by a C chord, and the lyrics 'Når hans står i sna - bel - dus - jen,' are sung. The sixth staff begins with a G chord, followed by a C chord, and the lyrics 'hør, da syn-ger han en' are sung. The seventh staff begins with a C chord, and the lyrics 'sang e - le - fan - ter kan.' are sung. The eighth staff begins with a C chord, and the lyrics 'Du du du' are sung. This pattern repeats for the ninth and tenth staves, ending with 'du du du' on the tenth staff.

Elefanten Alya ifra Sri lanka land
Har sin egen dusj for han har snabel
Når hans står i snabeldusjen, hør da synger han
En sang elefanter kan

Du du du dudu dudu du du du...

Alya har en storebror som regel ganske grei
Men du veit det hender at han dytter
Da blir Alya snabelsur og snabler: gå din vei
Og hold opp å plage meg

Du du du dudu dudu du du du...

Alya går i snabelbarnehagen like ved
Der er alle gode snabelvenner
Snabelkile-leken er det mye moro med
Og Alya må snabel-le

Du du du dudu dudu du du du...

Så mot snabelkvelden roper mamma høyt: ho ho
Tid for snabelgutten min å køye
Pusse begge tenna og en tur på snabeldo
Da gjesper han trøtt og god

Du du du dudu dudu du du du...
